2011 **Vanderbilt University**, B.S., Human and Organizational Development, Spanish

Book Project

In progress *Machine Gun Politics: Why Politicians Cooperate with Criminal Groups*
My book manuscript details how candidates and criminal groups strike deals in order to win elections. I develop a theory of *criminal clientelism*, arguing that criminal groups can be effective brokers and that certain candidates face low risks when striking deals.
– Best Dissertation Award, Urban Politics Section, APSA (2023)
– Best Dissertation Award Runner-up, Democracy and Autocracy Section, APSA (2023)
