9 - Which parts of this course were most valuable to your overall learning experience?

Response Rate 1/24 (4.17%)

- lecture

10 - Which parts of this course would you suggest changing?

Response Rate 2/24 (8.33%)

- More homework or classwork would make the class more engaging and comprehensive
- Some of the readings were especially challenging. The instructor did a good job of preparing the class for reading like that, and skimming was encouraged, but maybe it would be helpful to go over the harder readings a little bit more.

11 - What specific advice would you give to improve student learning in the course?

Response Rate 1/24 (4.17%)

- Participate as much as possible to stay engaged

12 - Which parts of this course were most valuable to your overall learning experience?

Response Rate 2/24 (8.33%)

- lecture
- Group work and peer reviews.

13 - What did you like and dislike about the final project?

Response Rate 2/24 (8.33%)

- Feels like a very broad project with not a lot of guidance or guidelines
- I like that the work that we're doing is permanent and can be seen by anyone. I like that the work was spread out across the semester.

14 - As the course progressed, I could see how each of the topics fit into a whole.
